

TECHNOLOGY LEADERSHIP HIGH SCHOOL
FULL REOPENING: 21-22 SY

COVID Safe Instruction Model

Who Will Participate in Full Reopening? All students will return to full reopening. The student will choose on-line or in person when they register for the 21-22 SY. The students will be scheduled accordingly.

Where are We at in the School Year? Tech plans to fully reopen school on Monday August 6th, 2021. To clarify further, Tech has augmented its academic program to meet the needs of student. The Spring and Fall Semesters have been broken up into Trimesters. The cohorts of A and B will be broken up by a.m. and p.m. classes Monday-Thursday and service learning and academic advisement on Friday for all cohorts.

What Does Learning Look Like? Tech student will continue to meet the learning outcomes outlined for each trimester. Students will have daily outdoor mask breaks if masks are required, access to social-emotional support, and additional instruction on safe in-person procedures. In addition to the curriculum teachers have designed for core classes, all students will be given additional education enrichment opportunities to address the academic challenges students have experienced during the COVID-19 crisis. This additional academic enrichment will look like: tutoring, credit recovery, academic advisement, college preparatory courses such as UNM Skillbot, and external hard skill certification programs such as iCEV.

What is the Daily Schedule? Our daily schedule is outlined below:

***This brief overview is in addition to all statewide COVID safe policies, practices and protocols that Tech is adhering to as evidenced by approval of full reopening by APS, NM PED & the Fire Marshall's Office.
